

NICHOLAS PAYTON

"...effectively in the business of knocking you back in your chair..."

-New York Times

"...thrilling...pays tribute to another wide-ranging musical icon"

- JazzBluesNews.com

As a leading voice in American popular music, the Grammy Award-winning **Nicholas Payton** is a multi-instrumentalist, vocalist, composer, producer, arranger, essayist, and social activist who defies musical and artistic categories. All the while, he honors the tradition of what he terms "postmodern New Orleans music," as well as the spirit of Black American Music.
